Chen,

There was so much we wanted to tell you. Even though you never would have understood. But, you knew how much we all loved you. And how we were suffering. But, you're through suffering you're at rest now. Now we're bearing the pain of losing you. We're going to miss you dearly. We've shed tears and it hurts deeply. But, we are relieved that you won't be suffering anymore. Rest in peace. We're going to miss you but, you'll never be forgotten ever. Dear God take care of our Dad.
