RECESSIONAL

When I Must Leave You

When I must leave you for a little while,  
Please do not grieve and shed wild tears,  
And hug your sorrow to you thru the years,  
But start out bravely with a smile  
And for my sake and in my name  
Live on and do all things the same,  
Feed not your loneliness on empty days,  
But fill each waking hour in useful ways  
Reach out your hand in comfort and cheer  
And I in turn will comfort and hold you near.  
And never, never be afraid to die  
For I am waiting for you in the sky.
